Office Financial Policy

We realize every person's financial situation is unique. For this reason, we have worked very hard to provide variety of payment options to help you receive the dental care needed to enjoy optimal health.

DENTAL INSURANCE

For your convenience, we are IN NETWORK providers of numerous dental PPO plans including but not limited to Aetna, BCBS, Delta, Connection, CIGNA, Humana, Principal, United Concordia, and more. We are also very happy to file a claim on any other PPO of which you may be a member.

There are thousands of dental benefit plans available to the patient, and we cannot possibly be experts on the various benefits of your plan. Insurance is a contract between you the insured and the insurance carrier, and is **NOT a contract between your insurance carrier and the dentist**. We will be pleased to file an insurance claim on your behalf as a convenience to you. We will also be very happy to call your insurance carrier and learn as much as possible about your plan benefits so that you may make an informed decision concerning your dental treatment needs. However, we cannot guarantee your insurance benefits due to the fact that we did not purchase the policy and do not have the right to demand an answer from your carrier. **Your carrier is not obligated to give us accurate information. They must, however, give accurate answers to you.** Therefore, the responsibility for insurance amounts paid rests with the patient.

Your portion due at the time services are rendered will be based on an **ESTIMATE** derived by the information you and your insurance carrier have given us. **Should the insurance claim be denied or should a different benefit be granted, the balance left on your account will be your responsibility.**

Payment Options

Cash and Check: We are happy to offer a 5% discount for cash payments paid in FULL on the day of service (patient estimated portion for those with an Insurance Benefit plan), but discount **does not apply to the Alsbury Dental Smile Protection Plan.**

Credit Cards: For your convenience, we accept VISA, MASTERCARD, DISCOVER, and AMERICAN EXPRESS. We do not offer a discount on services paid with credit cards.

Payment Plan: For patients who desire a monthly payment plan, we accept CARE CREDIT financing. We offer six and twelve month interest free financing with no down payment required, upon financing approval by CARE CREDIT.
