BURLESON, TEXAS DENTIST RECEIVES PRESTIGIOUS FELLOWSHIP FROM ACADEMY OF GENERAL DENTISTRY

CHICAGO (07.27.2017) - The Academy of General Dentistry (AGD) is pleased to announce that Robert L. Davis, DDS, of Burleson, Texas received the prestigious Fellowship Award during the AGD's Convocation ceremony, a commencement celebration that recognizes AGD member's commitment to excellence in dental education. Held at the AGD's Scientific Session on July 15, 2017, in Las Vegas, NV, Dr. Davis accepted this award along with more than 280 other recipients.

The Fellowship Award is presented to dentists looking to provide the highest quality of dental care by remaining current in their profession. In order to receive this award, Dr. Davis completed 500 hours of continuing dental education, passed a comprehensive written exam and fulfilled three years of continuing membership with the AGD. As a recipient of this award, Dr. Davis has joined an elite group of about 2276 members of the dental community who understand that great smiles and good oral health for their patients are the result of going above and beyond basic requirements. The Fellowship Award symbolizes excellence in the dental profession and a commitment to providing exceptional patient care.

"The AGD is proud to honor Dr. Davis for his commitment to continuing education and dedication to providing his patients with advanced and exceptional oral health care," says AGD President, **Maria Smith, DMD, MAGD**. "Dr. Davis has gone above and beyond his duties, distinguishing himself professionally amongst his peers and exemplifying his allegiance to the dental community."

Dr. Davis graduated from Baylor College of Dentistry and currently practices dentistry in Burleson, Texas. In addition to the AGD, Dr. Davis is a member of the American Dental Academy, Academy of General Dentistry, and the Fort Worth District Dental Society.

More than 786,000 persons are employed directly in the field of dentistry. A general dentist is the primary care provider for patients of all ages and is responsible for the diagnosis, treatment, management and overall coordination of services related to patients' oral health needs.

About the Academy of General Dentistry

The Academy of General Dentistry (AGD) is a professional association of more than 40,000 general dentists, dedicated to providing quality dental care and oral health education to the public. Founded in 1952, AGD is the second largest dental association in the United State, and serves the needs and represents the interests of general dentists.
